

Dear Business Owner or Manager,

Thank you for letting us visit your establishment as part of my daughter's Amazing Race Birthday Party on Friday, February 18, 2011 from approximately 1:00 to 4:00 pm. As I mentioned before, you will receive visits at some point during this time from eighteen girls ages 12 to 16. They will come to your place in groups of 2 or 3 to locate a clue and possibly complete a challenge of some sort with as little disruption to your business as possible. They will be wearing plain coloured tee-shirts, each team in matching colours.

If you have any questions regarding this activity please call me at (888)987-6543.

Thank you again,

Jane Smith
