

Colored Playdough

1 cup water

1 tablespoon vegetable oil

1/2 cup salt

1 tablespoon cream of tartar

Food coloring

Saucepan

1 cup flour

Directions

Combine water, oil, salt, cream of tartar, and food coloring in a saucepan and heat until warm. Remove from heat and add flour.

Stir, then knead until smooth. The cream of tartar makes this dough last 6 months or longer, so resist the temptation to omit this ingredient if you don't have it on hand.

Store this dough in an airtight container or a Ziploc freezer bag.
